At Work

Your colleagues may perceive you as someone who is naturally:

Comfortable with risk

Strongly venturesome in taking risks and focusing on the future; almost exclusively concerned with where they're going rather than either how they'll get there, or where they've been. Very adaptable; solves problems as they occur rather than through advance planning.

Makes decisions and takes action, even when there's an absence of proof confirming their decision. Comfortable operating outside of traditions, Roel pursues strongly innovative ideas, even in the face of failures or popular opposition.

Strongly independent in putting forth their own ideas, which are innovative and original, and if implemented, will change the organization. Resourceful and forceful in overcoming obstacles, vigorously and directly attacks problems; fights back hard when challenged.
